### PROFILE

Creative and innovative Product Designer with experience in designing intuitive, user-centered products that are both functional and visually appealing. Skilled in user research, wireframing, prototyping, and creating intuitive user interfaces. Proficient at collaborating with cross-functional teams, including product managers and engineers, to ensure that design solutions align with business goals and technical constraints. Proficient in using tools like Figma, Adobe Creative Suite, and Sketch to deliver high-quality, modern product designs.

### WORK EXPERIENCE

- Web Developer, AKI Solutions** December 2023 - October 2024
  - Designed and developed dynamic, responsive websites, increasing client engagement by 40%.
  - Created custom landing pages and embedded multimedia elements to support marketing campaigns by leveraging WordPress and Elementor to build and optimize sites for SEO and performance, aligning visual designs with brand guidelines.
- Product Designer, AIVA** May 2023 - May 2023
  - Designed and implemented a user-centric UI/UX interface for AIVA, a mobile payments platform which increased user retention by 25% through intuitive navigation and enhanced voice-command features.
  - Conducted user research, created wireframes and prototypes, and collaborated with developers to ensure alignment with business and technical goals.

### INTERSHIPS

- Product Designer, Side Hustle** April 2022 - May 2022
  - Created wireframes and prototypes for an e-commerce platform during a UI/UX design internship which boosted user interaction by 20% after improving the interface's flow and visual hierarchy by using Adobe XD and Figma for prototyping while maintaining brand consistency with design systems.

### EXTRA-CURRICULAR ACTIVITIES

- UI/UX Designer, Google Developer Student Club** Oct 2022 - Aug 2023
  - Designed visually compelling infographics, social media content, and digital assets for hackathons and events, enhancing user interaction and engagement.
  - Collaborated with the content team to align design with messaging goals and maintain brand consistency.
